

LORD SELKIRK REGIONAL
COMPREHENSIVE SECONDARY SCHOOL

Volunteer Credit - Community Service Student Initiated Project (SIP)

Please read over the attached information for procedures and expectations.

- **You cannot volunteer in your home or for family members**
- **You cannot volunteer during normal school hours**

Please sign all the appropriate signatures and return the registration back to me as soon as possible.

Before credit is granted, you are required to write a minimum one-page reflective summary of your volunteering opportunities and experiences you had while you volunteered to earn your credit.

Once I have your application form on file you can start counting your volunteer hours. I will need to receive your signed registration documents, the reflective summary, and your signed and verified log sheets from your supervisor, in order for the credit for volunteering to be granted.

Credit will not be granted until all necessary paperwork and signatures are returned to me at the school.

Starlene Mosienko

Career, HSAP & Dual-Credit Coordinator
Lord Selkirk Regional Comprehensive Secondary School
Lord Selkirk School Division
